The following are the highlights of the speech

Mr Govinda Das Lecturer of Goalpara college. The lecture was influential and inspirational to the SC people. Throughout the lecture the speaker mentioned the importance of awareness programme and the benefits for SC population. He encouraged the SC people to come forward and join the main stream of the society. The importance of role of education, culture and social practises towards the upbringing up of the society was mentioned. In the changing socio, economical era the role of SC people and the requirement of their contributions towards the growth of the society were deeply mentioned on his speech.

Speech by Mr Satya Narayan Deswala Ward Commissioner of 15 ward. He asked the SC people to join with govt scheme and a demands a community hall for the purpose of conducting future programmes. The audience were in fact shown very positive response to the speech and were in a agreement to involve in Govt scheme. He ensured his help and contribution will be extended towards achieving the goals of the community.

Speech by Mr Harikanda Das junior asst , Directorate of welfare SC. He in his speech extended his gratitude towards all the participants. The importance of awareness activities at the grass root level will have great implication towards the success of achieving the tasks in hand. Directorate of welfare of SC is entrusted on the task of various welfare measures designed by Govt and their implementation cannot be successfully achieved with out the participation of the local population.

Speech by ISDI member Jagannath Agni Bora explaining process involved in applying for SCSP scheme. He mentioned each and every aspects and the difficulties faced by the SC people while applying for the various schemes. He clarified the matters pertaining ease of doing to avail the schemes. His was really informative and eye opening to all the participants. He with his experience of all through years on various Govt projects and activities ensured the assistance to SC people.

The chairperson of ISDI Mrs Sanskriti Sakia on her closing address extended her thanks to all those who participated. In the future endeavours of all the SCSP schemes she ensured ISDI will stand shoulder to shoulder with local SC people.. The contribution of ISDI for the last Seven years since its inception and the various projects it undertook were briefly covered and served packaged lunch pack to all.
